First letter is B

First vowel is I

Your Soul Number is SIX.

Devoted, loving, and sympathetic, your life centers around the well-being of your family and those you love. A happy, harmonious personal life is what you value above all else. You will also find satisfaction in serving those in the outside world, becoming involved in the helping professions, in community service and affairs, or by giving generously of your time and help to your friends. You are protective, responsible, and conscientious towards those who depend upon you, and you are the ideal mother or father in many ways, though you can be too involved in the lives of your loved ones. Learn to allow family members the freedom and room to make their own choices and mistakes.

You respond to beauty, and are gifted in the arts. Creating a beautiful garden or home is very satisfying to you.

You are not aggressively ambitious, and prefer cooperation to competition. Easy-going and comfort-loving, you let others battle for personal glory and honor; you'd rather stay home!

Your Personality Number is NINE.

You are well-liked and well-loved by others for your warm heartedness, generosity, and forgiving nature. You seem sincere, kind, noble, and motivated by high principles. Petty selfishness is beneath you. You have a sentimental heart and you respond to life emotionally. You see more good than bad in people and are willing to give everyone a second chance. You can be a soft touch for every sad story that comes along.

Others feel comfortable and accepted by you, for you seem understanding, tolerant, and nonjudgmental. Though you are not self-seeking, you attract whatever you need into your life without much effort or struggle on your part. People naturally want to assist you.

You have artistic sensibilities and are sensitive to the colors, sounds, and emotional tones in your environment. You seek harmonious and peaceful surroundings. You have a taste for beauty and choose soft flowing styles. You love vibrant or pastel colors and usually avoid dark or murky shades.

Your Destiny Number is SIX.

You have a very helpful and sympathetic nature and your path lies in supporting, assisting, and serving others. You feel a sense of responsibility for human welfare and social justice and betterment, and have a strong protective concern for children, the ill, aged, or others in need of care. The helping professions, community service, or work with charitable organizations would be very fulfilling for you. You are also very domestic and devoted to your home and your family's well-being. If you are a parent, that may well be

the most meaningful and important part of your life. You invest much of your time, love, and creativity making your house a HOME - a beautiful, warm, comfortable place to be and you have old-fashioned tastes, preferring the homemade or personal touch to something fancy, slick, and mass-produced.

You love and crave beauty, and have an artistic sense of harmony, balance, and color. You would enjoy flower gardening, making crafts, home decorating, etc.

Harmony, beauty, and service are your keywords.

Your Career Number is FOUR.

You are suited for activities requiring discipline, endurance, punctuality, precision, accuracy, mastery of detail, logic, organization, order, a systematic approach.

Careers and Vocations: Engineer, mechanic, draftsman, architect, builder, carpenter, mason, contractor, dealer in furniture, coal, brick, building materials, hardware, manufacturer, technician or technical writer, computer analyst or programmer, army officer, actuary, accountant, trainer, manager, government work or civil service, librarian, office manager.

Your Missing Number(s) are:

FOUR: You lack stamina and are disinclined to persistent effort and hard physical labor. Laziness and lack of discipline may prevent you from realizing your goals. Develop a more down to earth, realistic approach to life, and learn to finalize and complete one project before undertaking another one. You may be a person with much abstract knowledge but little technical know-how. Develop some practical skills.

EIGHT: You lack business sense and may have little interest or ambition for material achievements and success. You can be very impractical and naive about finances, investments, legal procedures, and the ways of the world, thereby making foolish decisions. Try to develop an interest and an education in these matters to prevent regrettable and costly mistakes of judgment in your finances. You need to learn to manage time and resources more efficiently.

You disdain commercialism and don't understand its value. Therefore you are unlikely to be able to sell either products or ideas to others, which in turn may prevent you from sharing your creative efforts with a wide audience.

Your First Vowel is I.

Your instinctive response to any situation is INTUITIVE DISCRIMINATION. You

act according to your intuitive sense of a situation, and may seem entirely illogical and impervious to rational argument. You are sensitive and intelligent, with the ability to perceive and understand subtleties and complex issues.

You are sympathetic, idealistic, and have a strong humanitarian impulse. You can be overly subjective, overly sensitive and emotional. You avoid confrontation as much as possible, and are sensitive to criticism and rejection.

You are also inspired intellectually or artistically and require a supportive atmosphere in which to develop these gifts.

Your First Initial is B.

You have a soft, gracious, hospitable manner and are easily influenced by kindness, consideration, and emotional appeals. Though you appear stable and calm, both praise and blame from others affects you strongly and you are sensitive to criticism. You are diplomatic and you strive to please.

You prefer to work in cooperation with others rather than on your own, and have a strong desire for marriage and partnerships. Close family ties give you a sense of security. Your home is very, very important to you.

You love material comfort and have a talent for accumulating money. You can save and squirrel away your earnings and do not easily let go of anything once it is in your possession. You can be a hoarder who never throws anything away.

You are more instinctive and emotional than intellectual. Negatively, you can be stubbornly opinionated and overly simplistic in your thinking.
